Under this Sukuk Issuance Programme (the “**Programme**”), the Kingdom of Saudi Arabia, acting through the Ministry of Finance (the “**Issuer**”) may elect, subject to compliance with all relevant laws, regulations and directives, from time to time to issue sukuk (the “**Sukuk**”) denominated in Saudi Riyals.

Sukuk may only be issued in dematerialised registered form in the Specified Denominations specified in the applicable final terms (the “**Applicable Final Terms**”). The Sukuk may be issued on a continuing basis to one or more dealers (each a “**Dealer**” and together the “**Dealers**”) specified under the Applicable Final Terms, which appointment will be pursuant to the terms of a primary dealer agreement (see “*General Information – Primary Dealer Agreements*”).

Each Series (as defined under “*Terms and Conditions of the Sukuk*” (the “**Conditions**”)) of Sukuk issued under the Programme will be constituted by a master declaration of agency (the “**Master Declaration of Agency**”) dated 29/10/1441H (corresponding to 21 June 2020G) entered into between the Issuer and a Person (as defined in the Conditions) appointed to act as agent on behalf of the Sukukholders (the “**Sukukholders’ Agent**”).

Sukuk of each Series confer on the holders thereof from time to time (the “**Sukukholders**”) the right to receive certain payments (as more particularly described in the Conditions) arising from the Sukuk Assets (as defined in the Conditions) of the relevant Series. Each of the Sukuk will represent an undivided ownership interest in the Sukuk Assets and will at all times rank *pari passu* among themselves.

The Sukuk will be limited recourse obligations of the Issuer. An investment in Sukuk issued under the Programme involves certain risks (see “*Risk Factors*”).

References in this Information Memorandum to Sukuk being “**listed**” (and all related references) shall mean that such Sukuk are deposited with the Securities Depository Centre (the “**Centre**”) and listed on The Saudi Stock Exchange (Tadawul) (the “**Exchange**”) or any alternative depository or exchange specified in the Applicable Final Terms. The Programme also permits Sukuk to be issued on the basis that: (i) they are only deposited with the Centre but not listed on the Exchange; or (ii) they are neither deposited with the Centre nor listed on the Exchange. The Applicable Final Terms will specify whether or not the Sukuk are to be deposited with the Centre and/or listed on the Exchange or any alternative depository or exchange.

The aggregate nominal amount of Sukuk, the issue price of Sukuk, profit rate or reference rate and margin (as applicable) in respect of Sukuk and certain other information which is applicable to each Series of Sukuk will be set out in the Applicable Final Terms.

Sukukholders should note that the Sukuk are being sold only to Qualified Persons (as defined in the Conditions) and that only Qualified Persons may be registered as Sukukholders. Payments in respect of the Sukuk will be made without withholding or deduction for, or on account of, any taxes imposed by the Kingdom of Saudi Arabia in accordance with Condition 15 (*Taxation*) under “*Terms and Conditions of the Sukuk*”.

Series of Sukuk to be issued under the Programme may be rated or unrated and, if rated, the credit rating agency issuing such rating (together with certain other information in respect of such rating) will be specified in the Applicable Final Terms. Whether or not each credit rating applied for in relation to a relevant Series of Sukuk will be: (i) issued or endorsed by a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009 (as amended) (the “**CRA Regulation**”) or by a credit rating agency which is certified under the CRA Regulation; and/or (ii) issued or endorsed by a credit rating agency established in the United Kingdom (the “**UK**”) and registered under the CRA Regulation, as it forms part of domestic law of the UK by virtue of the European Union (Withdrawal) Act 2018 (the “**UK CRA Regulation**”) or by a credit rating agency which is certified under the UK CRA Regulation, and whether such credit rating agency is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website at: <https://www.esma.europa.eu/page/List-registered-and-certified-CRAs> in accordance with the CRA Regulation, will be disclosed in the Applicable Final Terms. In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Economic Area (the “**EEA**”) and registered under the CRA Regulation or: (i) the rating is provided by a credit rating agency not established in the EEA but is endorsed by a credit rating agency established in the EEA and registered under the CRA Regulation; or (ii) the rating is provided by a credit rating agency not established in the EEA which is certified under the CRA Regulation. In general, UK regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the UK and registered under the UK CRA Regulation or: (i) the rating is provided by a credit rating agency not established in the UK but is endorsed by a credit rating agency established in the UK and registered under the UK CRA Regulation;

or (ii) the rating is provided by a credit rating agency not established in the UK which is certified under the UK CRA Regulation. The European Securities and Markets Authority (the “ESMA”) is obliged to maintain on its website: <https://www.esma.europa.eu/page/Listregistered-and-certified-CRAs>, a list of credit rating agencies registered and certified in accordance with the CRA Regulation.

A rating is not a recommendation to buy, sell or hold the Sukuk, does not address the likelihood or timing of payment and may be subject to revision, suspension or withdrawal at any time by the assigning rating organisations.

The Sukuk have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”) or with any securities regulatory authority of any state or other jurisdiction of the United States. STRUCTURE DIAGRAM AND CASH FLOWS

Set out below is a simplified structure diagram and description of the principal cash flows relating to the Sukuk. This does not purport to be complete and is qualified in its entirety by reference to, and must be read in conjunction with, the provisions of the Sukuk Documents and the Conditions. Potential investors are also referred to the Conditions for a fuller description of certain cash flows and for an explanation of the meaning of certain capitalised terms used below. Potential investors should read this entire Information Memorandum carefully, especially the risks of investing in the Sukuk discussed under “Risk Factors”.

Principal Cash Flows

Proceeds of the issuance of the Sukuk

In relation to each Series, on the Issue Date, the proceeds of the subscription of the Sukuk (the “**Issuance Proceeds**”) shall be deposited by the Sukukholders into an account held in the name of the Sukukholders’ Agent with the Account Bank (for and on behalf of the Sukukholders) and operated by the Sukukholders’ Agent (the “**Sukuk Proceeds Account**”). Pursuant to the Sukuk Documents, the Sukukholders’ Agent shall acquire Sukuk Assets from the amounts standing to the credit of the Sukuk Proceeds Account in the following manner:

- (a) the Sukukholders’ Agent (on the instructions of the Issuer) shall provide the Mudaraba Capital to or to the order of the Mudareb to apply as the capital of the mudaraba (the “**Mudaraba**”) constituted by the Mudaraba Agreement and the Mudareb shall invest the Mudaraba Capital in the

Mudaraba Assets in accordance with the terms of the Mudaraba Agreement. The income from the Mudaraba Assets, less total costs (consisting of direct costs and allocated costs) relating thereto, shall be the “**Mudaraba Income**”; the proportional share of the Sukukholders’ Agent (in its capacity as *rab-al-maal* and as agent on behalf of the Sukukholders) being the “**Mudaraba Profit**”; and

- (b) the Sukukholders’ Agent (on the instructions of the Issuer) shall apply the remaining amount standing to the credit of the Sukuk Proceeds Account (the “**Murabaha Capital**”) towards the acquisition of certain commodities (“**Commodities**”), which will be sold to the Kingdom of Saudi Arabia, acting through the Ministry of Finance (as the Purchaser) on a deferred payment basis for an amount specified in a notice of offer to purchase and notice of acceptance of offer pursuant to the Master Murabaha Agreement (such deferred price being the “**Deferred Sale Price**” and the completed transaction being a “**Murabaha Transaction**”).

Payments of Periodic Distribution Amounts

One (1) Business Day prior to each Periodic Distribution Date, pursuant to the terms of the Mudaraba Agreement, the Mudareb shall calculate the Mudaraba Income received during the then current Periodic Distribution Period on the basis of a constructive liquidation of the Mudaraba Assets carried out on the basis of a valuation of the Mudaraba Assets made by the Mudareb one (1) Business Day prior to the relevant Periodic Distribution Date and shall credit the Mudaraba Profit portion of such Mudaraba Income to an account of record (the “**Collection Account**”). One (1) Business Day prior to each Periodic Distribution Date, the Mudareb shall apply the amounts standing to the credit of such Collection Account (to the extent of funds available in such Collection Account) for the payment of Periodic Distribution Amounts by crediting to the Sukuk Account the Required Amount needed to pay in full the Periodic Distribution Amount relating to that Periodic Distribution Date. If the funds then available in the Collection Account are less than the relevant Required Amount, the Issuer (in its capacity as Purchaser) shall, on that day, pay to the Sukuk Account a portion of the relevant Total Murabaha Deferred Sale Price Outstanding falling due on the relevant Deferred Sale Price Payment Date that corresponds to the difference, and, if the amounts then standing to the credit of the Sukuk Account nevertheless remain less than the relevant Required Amount, the Issuer (in its capacity as Mudareb) shall, on that day, pay to the Sukuk Account from the Sukukholders’ Agent’s share (for the benefit of the Sukukholders) in the Mudaraba Assets, an amount that corresponds to the difference.

In addition, in respect of each Series of Sukuk where the Deferred Sale Price Payment Basis is specified as Amortising, on each Deferred Sale Price Payment Date the Purchaser shall pay to the Seller, by payment directly to the Sukuk Account, such portion of the Deferred Sale Price as is due and payable on such date in accordance with the confirmation of terms delivered in accordance with the Master Murabaha Agreement (the “**Deferred Sale Price Instalment Amounts**”).

For the avoidance of doubt, the Deferred Sale Prices payable by the Issuer pursuant to the terms of the Master Murabaha Agreement shall not at any time exceed eighty five per cent. (85%) of the Aggregate Nominal Amount of the relevant Series of Sukuk as are then current.

Payments on redemption of Sukuk

Any Series of Sukuk may be redeemed in the circumstances specified in Condition 11 (*Redemption of Sukuk*).

The Purchaser shall discharge in full one (1) Business Day prior to the applicable Redemption Date, directly to the Sukuk Account, all other amounts payable by it to the Seller under the Master Murabaha Agreement in relation to the Murabaha Transactions entered into relating to the Series of Sukuk for which the Redemption Date has occurred, by payment of such amounts into the Sukuk Account one (1) Business Day prior to the Redemption Date.

In addition, the Mudareb shall liquidate the Mudaraba on the applicable Redemption Date. The proceeds of such liquidation (being the then current value of the Sukukholders’ Agent’s (for the benefit of the Sukukholders of such Series of Sukuk) share of the Mudaraba Assets) shall be paid by the Mudareb into the Sukuk Account one (1) Business Day prior to the Redemption Date (but only to the extent that, on such

date, amounts are required by the Issuer to be credited to the Sukuk Account in order for the Issuer to be able to pay any shortfall between the amounts standing to the credit of the Sukuk Account and the relevant Required Amounts relating to such Redemption Date) and used by the Mudareb to pay any amounts due but unpaid on such Redemption Date.

Sukuk Account

Pursuant to the terms of the Payment Administration Agreement, the Payment Administrator shall pay the Periodic Distribution Amounts, the Sukuk Capital, Early Redemption Amounts, Partial Periodic Distribution Amounts and/or Sukuk Capital Instalment Amounts (as applicable) to the Sukukholders of each Series of Sukuk out of amounts from time to time credited to the Sukuk Account of such Series of Sukuk, in each case in accordance with the terms of the Sukuk Documents, the Conditions and the Applicable Final Terms.

RISK FACTORS

The purchase of Sukuk involves risks and is suitable only for, and should be made only by, investors that are fully familiar with the Kingdom of Saudi Arabia in general and that have such other knowledge and experience in financial and business matters as may enable them to evaluate the risks and the merits of an investment in the Sukuk. Prior to making an investment decision, prospective investors should consider carefully, in light of their own financial circumstances and investment objectives, all the information set forth herein and, in particular, the risk factors set forth below. Prospective purchasers of Sukuk should make such inquiries as they think appropriate regarding the Sukuk and the Kingdom of Saudi Arabia without relying on the Issuer or the Dealers (as the case may be).

The Issuer believes that the following factors may affect the ability of the Issuer to fulfil its obligations under the Sukuk. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which the Issuer believes are material for the purpose of assessing the market risks associated with the Sukuk are also described below.

The Issuer believes that the factors described below represent the principal structure and market related risks inherent in investing in the Sukuk but the inability of the Issuer to pay any amounts on or in connection with the Sukuk may occur for other reasons. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding the Sukuk are exhaustive. Prospective investors should also read the information set out elsewhere in this Information Memorandum and reach their own views prior to making any investment decision.

FACTORS THAT MAY AFFECT THE KINGDOM'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER THE SUKUK DOCUMENTS

Saudi Arabia's economy and the Government is substantially dependent upon the oil sector and is adversely affected by a low oil price environment

The hydrocarbon industry is the single largest contributor to Saudi Arabia's economy and oil revenues account for a majority of the Government's total revenues and export earnings. As oil is Saudi Arabia's most important export, any change in oil prices affects various macroeconomic and other indicators, including, but not limited to, GDP, Government revenues, balance of payments and foreign trade. International oil prices have fluctuated significantly over the past two decades and may remain volatile in the future.

Furthermore, if Saudi Arabia increases its oil production in the future, there can be no assurance that Saudi Arabia's export earnings will also increase, to the extent that such increase in production is offset by any decline in international oil prices due to conditions in the global oil market. Conversely, if Saudi Arabia decreases its oil production in the future, this could result in a decline in Saudi Arabia's export earnings to the extent that such lower production is not offset by any increase in international oil prices due to conditions in the global oil market.

Potential investors should also note that many of Saudi Arabia's other economic sectors are in part dependent on the oil sector, and the above analysis does not take into account the indirect impact that a prolonged or further decline in oil prices may have on Saudi Arabia's economy.

Saudi Arabia's sovereign credit rating may be downgraded in the future

Ratings are an important factor in establishing the financial strength of debt issuers and are intended to measure an issuer's ability to repay its obligations based upon criteria established by the rating agencies. Any downgrade in Saudi Arabia's sovereign credit rating, or in the credit ratings of instruments issued, insured or guaranteed by related institutions or agencies, could negatively affect the price of the Sukuk. Any further decline in Saudi Arabia's credit rating could have a material adverse effect on its cost of borrowing and could adversely affect its ability to access debt capital markets or other sources of liquidity.

A credit rating is not a recommendation to buy, sell or hold the Sukuk. Credit ratings are subject to revisions or withdrawal at any time by the assigning rating agency. Saudi Arabia cannot be certain that a credit rating will remain for any given period of time or that a credit rating will not be downgraded or withdrawn entirely by the relevant rating agency if, in its judgment, circumstances in the future so warrant. A suspension, downgrade or withdrawal at any time of the credit rating assigned to Saudi Arabia may adversely affect the market price of the Sukuk.

Investing in securities involving emerging markets generally involves a higher degree of risk

Investing in securities involving emerging markets generally involves a higher degree of risk than investments in securities of issuers from more developed countries. Generally, investments in emerging markets are only suitable for sophisticated investors who fully appreciate, and are familiar with, the significance of the risks involved in investing in emerging markets.

An emerging market economy is susceptible to future adverse effects similar to those suffered by other emerging market countries. In addition, as a result of “contagion”, an emerging market economy could be adversely affected by negative economic or financial developments in other emerging market countries, which could in turn adversely affect the trading price of its securities.

Accordingly, there can be no assurance that the market for securities bearing emerging market risk will not be affected negatively by events elsewhere, especially in other emerging markets.

A slowdown in the economies of Saudi Arabia’s key trading partners could adversely affect Saudi Arabia’s economy

Saudi Arabia has strong trading relationships with many countries, particularly major oil-importing economies such as China, the United States, Japan, South Korea, India and a number of states of the European Union. To the extent that there is a slowdown in the economies of any of these countries, this may have a negative impact on Saudi Arabia’s foreign trade and balance of payments, which could have a material adverse effect on Saudi Arabia’s economic and financial condition.

Any sustained market and economic downturn or geopolitical uncertainties in the United States, China or any of Saudi Arabia’s other key trading partners may exacerbate the risks relating to Saudi Arabia’s trade with those countries. If an economic downturn occurs or continues in the United States, China or any of Saudi Arabia’s other key trading partners, this may have a negative impact on Saudi Arabia’s foreign trade and balance of payments, which could have a material adverse effect on Saudi Arabia’s economic and financial condition.

There can be no assurance that the Government will not reconsider Saudi Arabia’s exchange rate policy

The Saudi Riyal has been pegged to the U.S. Dollar since 1986 and it continues to be the policy of the Government and the Saudi Central Bank to maintain the currency peg at its existing level. There can be no assurance that future unanticipated events, including an increase in the rate of decline of the Government’s reserve assets, will not lead the Government to reconsider its exchange rate policy.

Any change to the existing exchange rate policy that results in a significant depreciation of the Saudi Riyal against the U.S. Dollar or other major currencies could lead to an increase in the cost of Saudi Arabia’s imports, which could offset any increase in export revenues. Saudi Arabia relies on imports for the majority of its food and other consumer items, and any consequential increase in the price of food, medicine or other household items could contribute to higher inflation and have a material adverse effect on Saudi Arabia’s social, economic and financial condition.

Furthermore, any change to the current exchange rate policy could increase the burden of servicing Saudi Arabia's external debt and also result in damage to investor confidence, resulting in outflows of capital and market volatility, each of which could have a material adverse effect on Saudi Arabia's economic and financial condition.

The legal system in Saudi Arabia continues to develop and this, and certain aspects of the laws of Saudi Arabia may create an uncertain environment for investment and business activity

The courts and adjudicatory bodies in Saudi Arabia have a wide discretion as to how laws and regulations are applied to a particular set of circumstances. There is no doctrine of binding precedent in the courts of Saudi Arabia, decisions of the Saudi Arabian courts and adjudicatory bodies are not routinely published and there is no comprehensive up-to-date reporting of judicial decisions. In some circumstances, it may not be possible to obtain the legal remedies provided under the laws and regulations of Saudi Arabia in a timely manner. As a result of these and other factors, the outcome of any legal disputes in Saudi Arabia may be uncertain.

In Saudi Arabia, contractual provisions, including those governed by foreign laws, for the charging and payment of interest (or commission) have been enforced by adjudicatory bodies. However, a court or adjudicatory body in Saudi Arabia applying a strict interpretation of the *Shari'ah* may not enforce such contractual provisions and the future consistency of Saudi courts or adjudicatory bodies regarding the payment of interest (which may include payments on the Sukuk) cannot be predicted.

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH SUKUK ISSUED UNDER THE PROGRAMME

Risks related to the Mudaraba Assets

Pursuant to the Mudaraba Agreement, a certain proportion of the Issuance Proceeds (being equal to an amount which is not more than sixty seven per cent. (67%) of the Aggregate Nominal Amount of the relevant Series of Sukuk) will be directly invested in the activities of the Issuer with a view to earning profit therefrom, which will in turn be applied towards payments due to the relevant Sukukholders in respect of that Series of Sukuk. An adverse change, or any event reasonably likely to involve any adverse change, in the condition (fiscal, economic, political or otherwise), general affairs or prospects of such investment may impact the value of, and profit earned from the investment in, the relevant Mudaraba Assets, which may, in turn, have a material adverse effect on the Issuer's ability to fulfil its payment obligations.

No diligence, investigation, enquiry or independent valuation has been or will be conducted in respect of any Mudaraba Assets. Accordingly, the value of the Mudaraba Assets will be determined by the Issuer in its sole discretion. If the Issuer's valuation of the Mudaraba Assets is inaccurate for any reason, this may impact the value of, and profit earned from the investment in, the relevant Mudaraba Assets, which may, in turn, have a material adverse effect on the Issuer's ability to fulfil its payment obligations under the Sukuk (including the Issuer's ability to repay the whole or part of the relevant Sukuk Capital).

This risk must be considered together with the fact that the Deferred Sale Prices payable by the Issuer pursuant to the terms of the Master Murabaha Agreement will not at any time exceed eighty five per cent. (85%) of the Aggregate Nominal Amount of the relevant Series of Sukuk as are then current.

Risks related to the Murabaha Transactions

Upon purchasing Commodities from the Seller and prior to selling the Commodities to an independent third party purchaser, the Issuer will for a limited period assume the operational risks associated with taking ownership of the Commodities. These risks include, without limitation:

- the ability to acquire such commodities;
- the risks associated with changes in taxation of such commodities;

- that the Commodities may suffer damage of a nature that reduces their value whilst in storage or during transit;
- that the Issuer's storage and/or transfer of the Commodities may cause environmental damage, such as pollution, leakage or contamination, which may breach environmental laws or regulations, making the Issuer susceptible to legal or financial recourse;
- that the Commodities may be liable to theft and or vandalism; or
- that the Commodities may be damaged by terrorist attacks, natural disasters, fire or other catastrophic events that are beyond the control of the Issuer.

To the extent that these risks are not mitigated, or fully covered, by any insurance taken out in respect of the Commodities, the occurrence of any of these events may have a material adverse effect on the value of the Commodities and/or the Issuer's ability to on-sell the Commodities which may, in turn, affect the Issuer's ability to perform its obligations (including payment obligations) under the Master Murabaha Agreement and relevant Murabaha Transactions, and in turn, in respect of the relevant Series of Sukuk.

Risks related to the Sukuk generally

The Sukuk are limited recourse obligations

Upon the occurrence of the Redemption Date, Partial Redemption Date, Sukukholder Put Right Date and/or Partial Periodic Distribution Date, the sole recourse of each Sukukholder will be against the Issuer to perform its obligations under the Sukuk Documents. The Sukukholders' Agent will have direct recourse to the Issuer to enforce the Issuer's payment obligations under the Sukuk Documents. Subject to Condition 13(b)(ii) (*Enforcement and Exercise of Rights*), in the absence of default by the Sukukholders' Agent, investors have no direct recourse to the Issuer. In addition, after enforcing or realising the Sukuk Assets and distributing the net proceeds of the Sukuk Assets in accordance with Condition 5.6 (*Sukuk – Application of Proceeds*), the obligations of the Issuer in respect of the Sukuk shall be satisfied and no Sukukholder may take any further steps against the Issuer to recover any further sums in respect of the Sukuk and the right to receive any such sums unpaid shall be extinguished.

The Sukukholders will otherwise have no other recourse to any assets of the Issuer or the Mudaraba Assets. There can be no assurance that the proceeds of, or the realisation of, or the enforcement with respect to, the Sukuk Assets will be sufficient to make all payments due in respect of the relevant Series of Sukuk.

The Sukuk may be subject to early redemption

If so specified in the Applicable Final Terms, a Series may, in accordance with Condition 11.2 (*Redemption of Sukuk – Redemption Option*) be redeemed early, in whole, at the option of the Issuer. The ability to exercise an early redemption option is likely to limit the market value of the Sukuk. During any period when the Issuer may elect to redeem the Sukuk, the market value of the Sukuk generally will not rise substantially above the Early Redemption Amount payable. The Issuer may be expected to elect to redeem the Sukuk when it is able to raise funds at a cost of financing which is lower than the profit rate (including such additional amounts as are due and payable in connection with such redemption) on the Sukuk. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective profit rate as high as the profit rate on the Sukuk and may only be able to do so at a significantly lower rate. Potential investors should consider re-investment risk in light of other investments available at that time.

Provisions of the Conditions or the Sukuk Documents may be amended, modified or waived without the consent of the holders of all Sukuk

The Master Declaration of Agency provides that the Sukukholders' Agent may agree, without the consent or sanction of the Sukukholders, to any modification (subject to certain exceptions as provided in the Master Declaration of Agency and subject to the approval of the Issuer) of, or to any waiver or authorisation of any breach or proposed breach of, any of the Conditions or any of the provisions of the Master Declaration of Agency or any other Sukuk Document, or may determine that an Event of Default shall not be treated as

such which in any such case, in the opinion of the Sukukholders' Agent, is not materially prejudicial to the interests of the Sukukholders or to any modification of any of these Conditions or any of the provisions of the Master Declaration of Agency or any other Sukuk Document which is (in the opinion of the Sukukholders' Agent) of a formal, minor or technical nature or which is made to correct a manifest error or to comply with mandatory provisions of law.

In addition, any modification or actions relating to a Basic Terms Modification (as defined in the Master Declaration of Agency) can be passed as an Extraordinary Resolution at a meeting of Sukukholders duly convened and held by a majority consisting of not less than three-fourths of the votes cast (with a quorum requirement of one or more Persons holding or representing not less than two-thirds in Aggregate Nominal Amount of the Sukuk as are current as of such date or, at any adjourned meeting, one or more Persons holding or representing not less than one-third in Aggregate Nominal Amount of the Sukuk as are current as of such date).

There is a risk therefore that the terms and conditions of a Series of Sukuk may be amended, modified or waived in circumstances whereby not all holders of the relevant Series of Sukuk have consented to such amendment, modification and/or waiver. Further, any such amendment, modification or waiver in relation to any Sukuk may adversely affect their trading price.

The Sukukholders' Agent may request the Sukukholders to provide an indemnity and/or security and/or prefunding to its satisfaction

In certain circumstances, including without limitation taking any proceedings pursuant to Condition 13 (*Enforcement and Exercise of Rights*), the Sukukholders' Agent may request the holders of the relevant Sukuk to provide an indemnity and/or security and/or prefunding to its satisfaction before it takes actions on behalf of the holders of such Sukuk. Negotiating and agreeing to an indemnity and/or security and/or prefunding can be a lengthy process and may impact on when such actions can be taken.

Restrictions in relation to the Purchase, Sale and Transfer of Sukuk

The Conditions of the Sukuk contemplate restrictions to the transfer of Sukuk (See Condition 3 (*Register, Title and Transfers*)). The Sukuk may not be transferred unless: (i) the nominal amount of the Sukuk to be transferred together with any existing holding of Sukuk by the party acquiring the Sukuk to be transferred is not less than the Authorised Holding (as defined in the Conditions); (ii) where not all the Sukuk held by a Sukukholder are being transferred, the nominal amount of the balance of Sukuk not transferred is not less than the Authorised Holding; (iii) the transferee is a Qualified Person (as defined in the Conditions); and (iv) any other secondary market requirements set out in the Applicable Final Terms are complied with.

Further, purchase, sale and transfer of the Sukuk are subject to the regulations and procedures of the relevant exchange (if listed) and Registrar, and the provisions of the Registry Agreement.

Moreover, the purchase, sale, offering, delivery of Sukuk as well as the distribution or publishing of this Information Memorandum or any Applicable Final Terms or any related offering material are subject to the applicable securities laws and regulations in force in each country or jurisdiction in or from which the Sukuk is purchased, offered, sold or delivered or this Information Memorandum or any Applicable Final Terms or any related offering material are distributed or published (see "*Offer Restrictions*").

Purchase of Sukuk listed in the Saudi Stock Exchange (Tadawul) is limited by the rules and regulations issued by the Capital Market Authority of the kingdom of Saudi Arabia (the "**CMA**"), including the rules for qualified foreign financial institutions investment in listed securities issued by the Board of the CMA pursuant to its Resolution Number 1-42-2015 dated 15/07/1436H (corresponding to 4 May 2015G) (as amended) (the "**Rules for Qualified Foreign Financial Institutions Investment in Listed Securities**").

Change of law

The Conditions and the Sukuk Documents are based on Saudi Arabian law in effect as at the date of this Information Memorandum. No assurance can be given as to the impact of any possible judicial decision or change to Saudi Arabian law or administrative practice after the date of this Information Memorandum.

Risks related to the market generally

An active secondary market in respect of the Sukuk may be illiquid and this would adversely affect the value at which an investor could sell its Sukuk

Sukuk issued under the Programme may not be widely distributed. Therefore, investors may not be able to sell their Sukuk easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for the Sukuk that are especially sensitive to interest rate or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Sukuk generally would have a more limited secondary market and more price volatility than conventional securities. Illiquidity may have a severely adverse effect on the market value of the Sukuk (see also “General Information – Primary Dealer Agreements”).

Credit ratings assigned to the Kingdom or any Sukuk may not reflect all the risks associated with an investment in those Sukuk

One or more independent credit rating agencies may assign credit ratings to Saudi Arabia. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above and other factors that may affect the value of the Sukuk.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent: (a) the Sukuk are legal investments for it; (b) the Sukuk can be used as collateral for various types of borrowing; and (c) other restrictions apply to its purchase or pledge of the Sukuk. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Sukuk under any applicable risk-based capital or similar rules.

TERMS AND CONDITIONS OF THE SUKUK

Introduction

The following is the text of the Terms and Conditions of the Sukuk which (subject to modification and except for the introductory text in italics) will be attached and (subject to the provisions thereof) apply to each Global Sak.

The Applicable Final Terms in relation to any Series may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Series.

The Kingdom of Saudi Arabia, acting through the Ministry of Finance (in its capacity as the issuer of Sukuk (as defined below) and agent on behalf of the Sukukholders, the “**Issuer**”) has established a programme (the “**Programme**”) for the issuance of sukuk (“**Sukuk**”, which term includes any increase or decrease to the size of or amendments to the terms and conditions of any series of sukuk) in series (each a “**Series**”). In these Terms and Conditions (the “**Conditions**”, and any reference herein to a numbered Condition is to the corresponding numbered provision hereof), references to Sukuk shall be references to the sukuk which are the subject of a final terms document (the “**Applicable Final Terms**”) and references to the Applicable Final Terms are to the final terms (or the relevant provisions thereof) of that Series as completed by the Issuer at the time of issue of the relevant Series.

The Applicable Final Terms supplement these Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Conditions, replace or modify these Conditions for the purposes of each Global Sak issued in respect of a Series under the Programme.

References in these Conditions to Sukuk being “listed” (and all related references) shall mean that such Sukuk are deposited with the Securities Depository Centre (the “**Centre**”) and listed on The Saudi Stock Exchange (Tadawul) (the “**Exchange**”) or any alternative depository or exchange specified in the Applicable Final Terms. 4. **STATUS; SET-OFF; LIMITED RECOURSE**

4.1 **Status**

The obligations of the Issuer under the Sukuk Documents will constitute direct, unconditional, unsubordinated, unsecured and limited recourse obligations of the Issuer and shall (save for certain obligations required to be preferred by provisions of law) rank *pari passu* with all other Indebtedness of the Kingdom, from time to time outstanding, **provided, further, that** the Issuer shall have no obligation to effect equal or rateable payment(s) at any time with respect to any such other Indebtedness and, in particular, shall have no obligation to pay other Indebtedness at the same time or as a condition of paying sums due under the Sukuk Documents in respect of each Series of Sukuk, and *vice versa*.

Sukukholders will have no recourse to any assets of the Issuer (other than the Sukuk Assets), the Sukukholders' Agent, the Agents or any of their respective affiliates in respect of any shortfall in the expected amounts from the Sukuk Assets.

The net proceeds of the realisation of, or enforcement with respect to, the Sukuk Assets may not be sufficient to make all payments due in respect of the Sukuk. If, following the distribution of such proceeds, there remains a shortfall in payments due under the Sukuk, no Sukukholder will have any claim against the Issuer, the Sukukholders' Agent, the Agents or any of their respective affiliates in respect of such shortfall and any unsatisfied claims of Sukukholders shall be extinguished.

The obligations of the Issuer under the Sukuk Documents are not secured by any assets, security or guarantee by a third party.

4.2 **Set-Off**

No Sukukholder may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Sukuk and each Sukukholder, by virtue of its subscription, purchase, acquiring, or holding of any Sukuk, shall be deemed to have waived all such rights of set-off to the fullest extent permitted by law.

4.3 **Limited Recourse**

Upon the occurrence of the Redemption Date, Partial Redemption Date, Sukukholder Put Right Date, and/or Partial Periodic Distribution Date, the sole recourse of each Sukukholder will be against the Issuer to perform its obligations under the Sukuk Documents. The Sukukholders will otherwise have no other recourse to any assets of the Issuer or the Mudaraba Assets. There can be no assurance that the proceeds or the realisation of, or the enforcement with respect to, the Sukuk Assets will be sufficient to make all payments due in respect of the Sukuk.

5. **SUKUK**

5.1 **Sukuk Assets**

In relation to each Series, on the Issue Date, the proceeds of the subscription of the Sukuk shall be deposited by the Sukukholders into an account held in the name of the Sukukholders' Agent with the Account Bank (for and on behalf of the Sukukholders) and operated by the Sukukholders' Agent (the "**Sukuk Proceeds Account**").

In relation to each Series, on or before the Issue Date, an account shall be established by (or on behalf of) and held in the name of the Issuer with the Account Bank and operated by the Payment Administrator on behalf of the Issuer (the "**Sukuk Account**").

On the Issue Date, the Sukukholders' Agent shall, from the amounts standing to the credit of the Sukuk Proceeds Account and on the instruction of the Issuer:

- (a) provide the Mudaraba Capital to or to the order of the Mudareb to apply as the capital of the mudaraba (the "**Mudaraba**") constituted by the Mudaraba Agreement and, in accordance with the terms of the Mudaraba Agreement, the Mudareb shall invest the Mudaraba Capital in the Mudaraba Assets; and
- (b) apply the remaining amount standing to the credit of the Sukuk Proceeds Account (i.e., the Murabaha Capital) in one or more Murabaha Transactions to be entered into by the Seller for and on behalf of the Sukukholders with the Purchaser pursuant to the Master Murabaha Agreement and Condition 5.4 (*Sukuk – Murabaha Transactions*).

The "**Sukuk Assets**" shall comprise:

- (a) the Sukukholders' Agent's share (for the benefit of the Sukukholders) in the Mudaraba Assets (as assessed in accordance with Condition 5.2 (*Sukuk – Mudaraba Assets*));

- (b) the Sukukholders' Agent's interest as Seller (for the benefit of the Sukukholders) in the Murabaha Transactions (including the Deferred Sale Prices) and its rights under the Master Murabaha Agreement;
- (c) the Sukukholders' Agent's rights in, to and under the Sukuk Documents;
- (d) any amounts standing to the credit of the Sukuk Account and the Collection Account; and
- (e) the payment obligations of the Mudareb and the Purchaser under the Mudaraba Agreement and the Master Murabaha Agreement, respectively.

None of the Issuer (so long as it performs its obligations under the Sukuk Documents), the Sukukholders' Agent or the Agents are responsible for the performance or the profitability of the Sukuk Assets or for the share and amount of the distributions (if any) made to the Sukukholders.

The Issuer has undertaken pursuant to the Master Declaration of Agency to remain the Mudareb until the Expiry Date of the Sukuk. If the Issuer ceases to act as Mudareb under the Mudaraba Agreement prior to the Expiry Date of the Sukuk, such event shall constitute a breach of the specified clause of the Master Declaration of Agency as of the date of the event.

5.2 **Mudaraba Assets**

On the Issue Date, the Mudareb shall invest the Mudaraba Capital of such Series in the Mudaraba Assets.

The Sukukholders' Agent and the Mudareb have agreed and acknowledged in the Mudaraba Agreement that the Mudareb shall be entitled, in its sole and absolute discretion, to:

- (a) use all or any part of the Mudaraba Assets as it sees fit, subject to the terms of the Mudaraba Agreement;
- (b) commingle its own assets and funds with the Mudaraba Assets;
- (c) substitute any part of the Mudaraba Assets for interests in other *Shari'ah* compliant assets of a value equivalent to the value of the relevant Mudaraba Assets as determined by the Mudareb in its sole and absolute discretion; and
- (d) purchase for its own account at a price immediately payable without any provision for credit, or sell to any third party, at any time, all or any part of the Sukukholders' Agent's (for the benefit of the Sukukholders) share of the Mudaraba Assets. The price payable for such Mudaraba Assets shall be determined in accordance with a formula set out in the Applicable Final Terms and shall be reinvested in the Mudaraba by the Mudareb.

The Mudareb shall from time to time have the right to act as *mudareb* for other sukukholders in connection with other Series of Sukuk under the Programme or otherwise and to invest further for its own account (whether from its own funds or funds from other sources) and/or for other investors or sukukholders who agree to invest with it in the Mudaraba Assets. The Sukukholders' Agent's entitlements (for the benefit of the Sukukholders) and the Issuer's entitlements (for its own account and/or for the account of such other investors or sukukholders who agree to so invest with it) to the Mudaraba Assets shall be *pro rata* to their respective shares from time to time in the aggregate investment in the Mudaraba Assets.

The Mudaraba Income (excluding Mudareb Profit) shall be credited to an account of record to be maintained by the Mudareb in its books for and on behalf of the Sukukholders (the "**Collection Account**").

For the purposes of calculating the Mudaraba Income, at or prior to 10 a.m. (Riyadh time) one (1) Business Day prior to each Periodic Distribution Date or any Partial Periodic Distribution Date, as the case may be, the Mudareb shall calculate the Mudaraba Income received during the then current Periodic Distribution Period on the basis of a constructive liquidation of the Mudaraba Assets

carried out on the basis of a valuation of the Mudaraba Assets made by the Mudareb one (1) Business Day prior to the relevant Periodic Distribution Date or Partial Periodic Distribution Date and shall credit the same (excluding Mudareb Profit) to the Collection Account.

The proportional profit shares of the Sukukholders (being the “**Mudaraba Profit**”) and the Mudareb (being the “**Mudareb Profit**”) in any Mudaraba Income shall be calculated using the ratios set out in the Applicable Final Terms.

At or prior to 10 a.m. (Riyadh time) one (1) Business Day prior to each Periodic Distribution Date, the Mudareb shall apply the amounts standing to the credit of the Collection Account (in each case only to the extent of funds available in such Collection Account) for the payment of Periodic Distribution Amounts by crediting to the Sukuk Account the Required Amount needed to pay in full the Periodic Distribution Amount relating to that Periodic Distribution Date.

At or prior to 10 a.m. (Riyadh time) one (1) Business Day prior to any Partial Periodic Distribution Date or Partial Redemption Date or Sukukholder Put Right Date or the Redemption Date (as the case may be), the Mudareb shall apply the amounts standing to the credit of the Collection Account (in each case only to the extent of funds available in such Collection Account) for the payment of amounts due to the Sukukholders in accordance with these Conditions on the relevant Partial Periodic Distribution Date or Partial Redemption Date or Sukukholder Put Right Date or the Redemption Date (as the case may be) by crediting such amounts to the Sukuk Account in an amount equal to any Shortfall.

Any surplus Mudaraba Profit remaining in the Collection Account after the application of the amounts referred to above in this Condition 5.2 (*Sukuk – Mudaraba Assets*) shall be reinvested by the Mudareb on behalf of the Sukukholders’ Agent (for the benefit of the Sukukholders) in the Mudaraba Assets.

The Mudareb shall compensate the Sukukholders’ Agent (for the benefit of the Sukukholders) for any actual losses (excluding consequential loss, opportunity cost and cost of funds) incurred by the relevant Sukukholders in respect of the Mudaraba Assets occurring as a direct result of a breach by the Mudareb of, or its gross negligence or wilful misconduct in performing its obligations under, the Mudaraba Agreement. Any losses in respect of the Mudaraba Assets shall be borne by the Sukukholders only if the Mudareb proves that such losses did not occur as a direct result of its breach, gross negligence or wilful misconduct in performing its obligations under the Mudaraba Agreement.

5.3 **Liquidation of the Mudaraba**

The Mudareb shall liquidate the Mudaraba on the applicable Redemption Date or, if the value of the Sukukholders’ Agent’s (for the benefit of the Sukukholders of such Series of Sukuk) share of the Mudaraba Assets is less than the Accumulated Losses Threshold of the Mudaraba Capital by reference to the most recent valuation of the Mudaraba Assets. The proceeds of such liquidation (being the then current value of the Sukukholders’ Agent’s (for the benefit of the Sukukholders of such Series of Sukuk) share of the Mudaraba Assets) shall be used by the Mudareb to pay to any amounts due but unpaid on such Redemption Date by payment of such amounts into the Sukuk Account at or prior to 10 a.m. (Riyadh time) one (1) Business Day prior to the Redemption Date (but only to the extent that, at such time on such date, amounts are required by the Issuer to be credited to the Sukuk Account in order for the Issuer to be able to pay any Shortfall). Any surplus proceeds of such liquidation, after payment of the amounts (if any) described in this Condition 5.3 (*Sukuk – Liquidation of the Mudaraba*) and any amounts accruing pursuant to Condition 6.3 (*Fixed Periodic Distribution Provisions – Cessation of Accrual*) or Condition 7.4 (*Floating Periodic Distribution Provisions – Cessation of Accrual*) (as applicable), may be retained by the Mudareb as an incentive fee for its own account.

5.4 **Murabaha Transactions**

On the Issue Date, the Seller, acting for and on behalf of the Sukukholders, and the Purchaser shall enter into two Murabaha Transactions on the terms set out in the Master Murabaha Agreement.

- (a) A Murabaha Transaction for the creation of an Initial Murabaha Contract, the terms of which shall specify, *inter alia*:
 - (i) that the Initial Murabaha Cost Price shall be equal to the Initial Murabaha Capital;
 - (ii) that, subject to paragraph (vi) below, the Term shall be fixed in accordance with the Notice of Offer to Sell;
 - (iii) that, subject to paragraph (vi) below, where the Deferred Sale Price Payment Basis is specified as Bullet, the Deferred Sale Price Payment Date shall be the Expiry Date;

 - (iii) that, subject to paragraph (v) below, the Deferred Sale Price Payment Date shall be the last day of the relevant Periodic Distribution Period;
 - (iv) the Subsequent Murabaha Profit; and
 - (v) that, on the applicable Redemption Date or Sukukholder Put Right Date, the Deferred Sale Price or, as the case may be, the Sukukholder Put Right Deferred Sale Price shall become immediately due and payable.

On the Deferred Price Payment Date of each other Subsequent Murabaha Transaction, except for the Deferred Price Payment Date falling immediately prior to the applicable Redemption Date, the Seller, acting for and on behalf of the Sukukholders, and the Purchaser shall enter into a further Subsequent Murabaha Transaction. An amount equal to the Deferred Sale Price of the maturing Subsequent Murabaha Transaction less the Subsequent Murabaha Contract Payment Amount paid by the Purchaser to the Sukuk Account on that Deferred Price Payment Date shall be applied as the Subsequent Murabaha Cost Price of the further Subsequent Murabaha Transaction entered into between by the Seller and the Purchaser on that date.

The Subsequent Murabaha Contract Payment Amount, any Deferred Sale Price Instalment Amounts and any Sukukholder Put Right Deferred Sale Price shall be paid by the Purchaser to the Sukuk Account.

5.5 **Participation in Purchase of Commodities**

Pursuant to the Master Murabaha Agreement, the Seller will make available to the Purchaser, in respect of the Sukuk, a murabaha based financing facility under which the Seller agrees to sell on behalf and for the benefit of the Sukukholders, on a murabaha basis, to the Purchaser, on the applicable Settlement Date, certain Commodities purchased by the Seller from nominated Supplier(s) at a price negotiated between the Purchaser and the Seller. Once the Seller has acquired the Commodities, the Seller will sell the Commodities to the Purchaser on deferred payment terms,

providing for the Purchaser to pay to the Seller the Deferred Sale Price in accordance with the terms of the Master Murabaha Agreement.

In respect of each Series of Sukuk where the Deferred Sale Price Payment Basis is specified as Bullet, on the relevant Deferred Sale Price Payment Date the Purchaser shall pay to the order of the Seller, in full, the Deferred Sale Prices due on such date. In respect of each Series of Sukuk where the Deferred Sale Price Payment Basis is specified as Amortising, on each Deferred Sale Price Payment Date the Purchaser shall pay to the order of the Seller, in full, the relevant Deferred Sale Price Instalment Amounts due on such date.

On the occurrence of an Event of Default in relation to any Series of Sukuk and at any time during which such Event of Default in relation to any Series of Sukuk is continuing, the Seller may demand that the Purchaser immediately pay the Total Murabaha Deferred Sale Price Outstanding in full in relation to that Series of Sukuk and that the Purchaser immediately pay any other sums owed to the Seller by the Purchaser under the Master Murabaha Agreement in relation to that Series of Sukuk, whereupon the same shall become so payable.

The Purchaser shall, in any event, discharge in full on the applicable Redemption Date all other amounts payable by it to the Seller under the Master Murabaha Agreement in relation to the Murabaha Transactions entered into relating to the Series of Sukuk for which the Redemption Date has occurred (including the Total Murabaha Deferred Sale Price Outstanding in respect of that Series of Sukuk), by payment of such amounts into the Sukuk Account at or prior to 10 a.m. (Riyadh time) one (1) Business Day prior to the Redemption Date and to the Sukukholders on the Redemption Date.

In respect of a redemption of less than one hundred per cent. (100%) of a Series of Sukuk on a Sukukholder Put Right Date, the relevant *pro rata* proportion of the Deferred Sale Price of a Series which shall be payable on the relevant Sukukholder Put Right Date will be determined by multiplying the Total Murabaha Deferred Sale Price Outstanding of the relevant Series of Sukuk by the applicable Relevant Percentage.

If any Periodic Distribution Date is not a Business Day, it shall be adjusted in accordance with the relevant Business Day Convention.

Where the Reference Rate is specified as Saudi Arabian Interbank Offered Rate (“SAIBOR”) in the Applicable Final Terms, the Reference Rate for each Periodic Distribution Period shall be determined by or on behalf of the Payment Administrator on the following basis:

- (a) the Payment Administrator will determine the offered rate for deposits in Saudi Riyals for a period equal to the relevant Periodic Distribution Period which appears on the Relevant Screen Page (or such other page as may replace that page on that service, or such other service as may be nominated by the Payment Administrator as the information vendor for

the purpose of displaying comparable rates) as of 11 a.m. (Riyadh time) on the Periodic Distribution Determination Date; or

- (b) if such rate does not appear on that page, the Payment Administrator will:
- (i) determine the average rate at which deposits in Saudi Riyals are offered by the Reference Banks in the Saudi interbank market at approximately 11 a.m. (Riyadh time) on the Periodic Distribution Determination Date to prime banks in the Saudi interbank market for a period equal to the relevant Periodic Distribution Period and in an amount that is representative for a single transaction in that market at that time; and
 - (ii) determine the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) for such quotations where two or more quotations are available,

and the Reference Rate shall be the rate or (as the case may be) the arithmetic mean so determined; **provided however, that** if the Payment Administrator is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Periodic Distribution Period, the Reference Rate applicable to the Sukuk during such Periodic Distribution Period will be the Reference Rate or (as the case may be) arithmetic mean last so determined in relation to the Sukuk in respect of the most recent preceding Periodic Distribution Period.

Where the Reference Rate specified in the Applicable Final Terms is other than SAIBOR, the Reference Rate for each Periodic Distribution Period shall be determined by or on behalf of the Payment Administrator by reference to the relevant Screen Rate for a period equal to the relevant Periodic Distribution Period which appears on the Relevant Screen Page (or such other page as may replace that page on that service, or such other service as may be nominated by the Payment Administrator as the information vendor for the purpose of displaying comparable rates) as of 11 a.m. (Riyadh time) on the Periodic Distribution Determination Date; **provided however, that** if the Payment Administrator is unable to determine a rate in accordance with the above provisions in relation to any Periodic Distribution Period, the Reference Rate applicable to the Sukuk during such Periodic Distribution Period will be the Reference Rate last so determined in relation to the Sukuk in respect of the most recent preceding Periodic Distribution Period.

In these Conditions:

“Periodic Distribution Amount” means, for each Periodic Distribution Period, an amount calculated as follows:

$$\frac{P \times (S + M) \times D}{N}$$

where:

- P = the Aggregate Nominal Amount of the Series as are current on the Transfer Record Date immediately preceding the last day of such Periodic Distribution Period;
- D = the Day Count Fraction;
- S = the Reference Rate for such Periodic Distribution Period;
- M = the Margin; and
- N = the Period.

7.3 **Publication**

The Payment Administrator shall cause the Screen Rate and the Periodic Distribution Amount determined by it, together with the relevant Periodic Distribution Date, to be notified to the Issuer and the Sukukholders' Agent as soon as practicable after such determination but in any event not later than 8 a.m. (Riyadh time) one (1) Business Day prior to the first day of the relevant Periodic Distribution Period. Notice thereof shall also promptly be provided by the Payment Administrator to the Registrar. The Payment Administrator shall recalculate any Periodic Distribution Amount (on the basis of the foregoing provisions) in the event of an extension or shortening of the relevant Periodic Distribution Period.

7.4 **Cessation of Accrual**

No further amounts shall be payable on any Sukuk from and including its due date for redemption unless, upon due presentation, payment in respect of the Sukuk is improperly withheld or refused or unless default is otherwise made in respect of payment, in which event such amounts payable on the Sukuk shall continue to be due and payable and Periodic Distribution Amounts and Partial Periodic Distribution Amounts will continue to accrue in respect of the Sukuk in the manner provided in this Condition 7 (*Floating Periodic Distribution Provisions*) until all amounts due in respect of the Sukuk have been paid in full.

7.5 **Calculation of Distribution in Respect of Partial Periodic Distribution Amounts**

When a distribution is required to be calculated in respect of a period less than a full Periodic Distribution Period, it shall be calculated in accordance with the relevant formula prescribed for the Partial Periodic Distribution Amount.

7.6 **Notifications**

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition shall (in the absence of manifest error) be binding on the Issuer, the Sukukholders' Agent, the Payment Administrator and the Sukukholders and no liability to any such Person will attach to the Sukukholders' Agent or the Payment Administrator in connection with the exercise or non-exercise by it of its powers, duties and discretions under this Condition.

8. **SUKUK CAPITAL INSTALMENT AMOUNT PAYMENT PROVISIONS**

8.1 **Application**

This Condition 8 (*Sukuk Capital Instalment Amount Payment Provisions*) is applicable to the Sukuk only if the Redemption Basis is specified as Amortising in the Applicable Final Terms.

8.2 **Sukuk Capital Instalment Amount**

In accordance with and subject to Condition 5.6 (*Sukuk – Application of Proceeds*), Condition 9 (*Purchase and Cancellation of Sukuk*) and Condition 10 (*Payments*), the Issuer shall distribute to each Sukukholder on each Partial Redemption Date the Sukuk Capital Instalment Amount in relation to all Sukuk held by the relevant Sukukholder that are current.

9. **PURCHASE AND CANCELLATION OF SUKUK**

9.1 **Purchase**

The Issuer (or any agent acting on its behalf) may at any time purchase Sukuk in the open market or otherwise and at any price in the open market or otherwise. Such Sukuk may be held, reissued, resold or, at the option of Issuer, surrendered for cancellation.

9.2 **Cancellation**

All Sukuk which are redeemed in accordance with Condition 11 (*Redemption of Sukuk*) will forthwith be cancelled and the Sukuk Capital shall be reduced *pro rata* by the Aggregate Nominal Amount of such cancelled Sukuk. All Sukuk so cancelled and any Sukuk purchased and cancelled pursuant to Condition 9.1 (*Purchase and Cancellation of Sukuk – Purchase*) cannot be reissued or resold.

10. **PAYMENTS**

10.1 **General**

Payments under the Sukuk shall be transferred to a Saudi Riyal account maintained by the payee with a bank in Saudi Arabia as notified in writing to the Registrar and the Payment Administrator not later than fifteen (15) days before the date of the relevant payment.

10.2 **Payments Subject to Applicable Laws**

All payments in respect of the Sukuk are subject in all cases to any applicable fiscal or other laws and regulations in Saudi Arabia.

10.3 **Payments on Business Days**

Payment instructions shall be initiated for value on the due date, or, if the due date is not a Business Day, for value on the first following Business Day (subject to any applicable Business Day Convention). A Sukukholder shall not be entitled to any distribution or other payment in respect of any delay in payment resulting from the due date for a payment not being a Business Day.

11. **REDEMPTION OF SUKUK**

11.1 **Scheduled Redemption**

Unless previously redeemed, or purchased and cancelled, the Sukuk shall be redeemed on the Expiry Date and, subject to Condition 5.3 (*Sukuk – Liquidation of the Mudaraba*), each Sukukholder shall receive its *pro rata* share of the Sukuk Capital together with any accrued but unpaid Periodic Distribution Amounts payable from the Sukuk Assets from the proceeds of the Sukuk Assets.

11.2 **Redemption Option**

If Issuer Call is specified in the Applicable Final Terms as being applicable and subject to the value of the Sukuk Assets not being below the Aggregate Nominal Amount, the Issuer may give not less than thirty (30) days' nor more than sixty (60) days' notice to the Sukukholders in accordance with Condition 17 (*Notices*) which notice:

- (a) shall be irrevocable; and
- (b) shall specify the relevant Periodic Distribution Date fixed for redemption (the “**Optional Redemption Date**”), and the Issuer shall, subject to Condition 5.3 (*Sukuk – Liquidation of the Mudaraba*), redeem in whole, but not in part, the Sukuk from the Sukukholders by paying to each Sukukholder the Early Redemption Amount in respect of each of the Sukuk held by it as specified in the Applicable Final Terms on the Optional Redemption Date together with any accrued but unpaid Periodic Distribution Amounts payable.

11.3 **Redemption at the Option of the Sukukholders**

If a Sukukholder Put Right is specified in the Applicable Final Terms as being applicable, upon the receipt by the Issuer of notice in accordance with Condition 17 (*Notices*) of not less than thirty (30) days' nor more than sixty (60) days from Sukukholders holding not less than thirty three per cent. (33%) of the Aggregate Nominal Amount of the Sukuk, the Issuer will, upon the expiry of

such notice (unless prior to the giving of such notice the Issuer has given notice of redemption under Condition 11.2 (*Redemption of Sukuk – Redemption Option*)) redeem, or, at the Issuer's option, purchase (or procure the purchase of) such Sukuk on the Sukukholder Put Right Date at the Early Redemption Amount specified in, or determined in the manner specified in, the Applicable Final Terms together with any accrued but unpaid Periodic Distribution Amounts and/or Partial Periodic Distribution Amounts payable.

If seventy five per cent. (75%) or more of the Aggregate Nominal Amount of the Sukuk (the "**Sukukholder Put Right Redemption Threshold**") have been redeemed or purchased by the Issuer pursuant to this Condition 11.3 (*Redemption of Sukuk – Redemption at the Option of the Sukukholders*) the Issuer may, on giving not less than 30 nor more than 60 days' notice to the Sukukholders in accordance with Condition 17 (*Notices*) (such notice to be given within 30 days of the Sukukholder Put Right Date on which the Sukukholder Put Right Redemption Threshold was first reached), redeem, or, at the Issuer's option, purchase (or procure the purchase of) all (but not some only of) the remaining Sukuk on a Periodic Distribution Date which shall be treated as an Optional Redemption Date for the purpose of these Conditions at their Early Redemption Amount, together with any accrued but unpaid Periodic Distribution Amounts payable.

11.4 **Partial Redemption of Sukuk**

Where the Redemption Basis is specified as Amortising in the Applicable Final Terms, each Sukukholder is entitled to receive the Sukuk Capital Instalment Amounts due on the relevant Partial Redemption Dates (each as specified in the Applicable Final Terms) in respect of the Sukuk held by it and, subject to any other early redemption, purchase and/or cancellation, the Series shall be redeemed in part (and the Aggregate Nominal Amount of the Sukuk of the relevant Series that are current will be reduced accordingly) by the value of each Sukuk Capital Instalment Amount paid to the Sukukholders upon payment in full of each such Sukuk Capital Instalment Amount to the Sukukholders.

11.5 **No Other Redemption**

Except as set out in Condition 9 (*Purchase and Cancellation of Sukuk*), this Condition 11 (*Redemption of Sukuk*) and Condition 12 (*Events of Default*), the Issuer shall not be permitted to redeem or cancel the Sukuk.

11.6 **Incentive Fee**

Following redemption of the Sukuk in full (and without prejudice to Condition 5.6 (*Sukuk – Application of Proceeds*)), any amounts standing to the credit of the Sukuk Account and the Collection Account shall be paid to the Issuer for its own account as an incentive fee.

12. **EVENTS OF DEFAULT**

The occurrence of a Kingdom Event shall constitute an event of default (the "**Event of Default**").

If an Event of Default occurs and is continuing, the Sukukholders' Agent shall as soon as is reasonably practicable after it receives notice thereof give notice of the occurrence of such Event of Default to the Sukukholders requiring them to indicate within a period of up to fifteen (15) days, or such other date as is notified to the Sukukholders by the Sukukholders' Agent (the "**Exercise Period**"), whether they wish to exercise their rights to redeem the Sukuk pursuant to this Condition 12 (*Events of Default*), **provided, however**, in the case of the occurrence of an Event of Default comprising an event described in paragraph (b) of the definition of Kingdom Event, such notice may only be given if the Sukukholders' Agent has certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Sukukholders. Any Sukukholder may then deliver a notice (an "**Event of Default Notice**") within the Exercise Period to the Sukukholders' Agent.

If the Sukukholders' Agent receives an Event of Default Notice, the Sukukholders' Agent shall promptly give notice to the Issuer and the Payment Administrator that such an Event of Default

Notice has been received, specifying the Event of Default referred to therein (but so that such notice shall only be given in relation to the first Event of Default Notice received in respect of any Event of Default). If the Sukukholders' Agent receives Event of Default Notices from at least the Required Sukukholders within the Exercise Period, the Sukukholders' Agent shall promptly deliver to the Issuer and the Payment Administrator an exercise notice (the "**Exercise Notice**") so notifying the Issuer and the Payment Administrator (with a copy to the Sukukholders) that the Sukuk are to be redeemed at the Total Sukuk Capital Outstanding and on the date specified in such notice.

Upon the delivery of the Exercise Notice pursuant to this Condition 12 (*Events of Default*), the Sukukholders' Agent may, at any time, and is irrevocably authorised on behalf of the Sukukholders to:

- (a) enforce such rights as it may have under the Sukuk Documents following an Event of Default;
- (b) demand, claim, enforce and prove payment of the Total Sukuk Capital Outstanding applicable to the Sukuk as of the date on which Event of Default Notices from the Sukukholders were first received (the "**Event of Default Date**"), together with payment of the Partial Periodic Distribution Amount, calculated as of the date of redemption of the Sukuk, from the Issuer; and
- (c) file claims and proofs, give receipts and take all such proceedings and do all such things as the Sukukholders' Agent sees fit to recover the Total Sukuk Capital Outstanding and the Partial Periodic Distribution Amount from the Issuer. Upon payment in full of such amounts, the Sukuk will be redeemed and shall cease to represent the Sukuk Assets and no further amounts shall be payable in respect thereof and the Issuer shall have no further obligations in respect thereof.

13. **ENFORCEMENT AND EXERCISE OF RIGHTS**

- (a) The Sukukholders' Agent may at any time, at its absolute discretion and without notice, take such proceedings against the Issuer as it may think fit to enforce the provisions of the Sukuk and the Sukuk Documents, but it shall not be bound in any circumstances to take any such action unless directed or requested to do so:

- (i) pursuant to Condition 12 (*Events of Default*);
- (ii) by an Extraordinary Resolution; or
- (iii) in writing by the Required Sukukholders,

and in each case then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable for which it may incur by so doing, **provided however, that** in each case, the Issuer shall not be obliged to pay any amount to the Sukukholders at a time earlier than it would otherwise have to do so in accordance with these Conditions or the Sukuk Documents.

- (b) No Sukukholder shall be entitled to proceed directly against the Issuer unless:
 - (i) the Sukukholders' Agent, having become bound so to proceed, fails to do so within sixty (60) days of becoming so bound and such failure is continuing; and
 - (ii) the relevant Sukukholder (or such Sukukholder together with the other Sukukholders who propose to proceed directly against the Issuer) holds at least thirty three and a third per cent. (33⅓%) of the Aggregate Nominal Amount of the Series of Sukuk then current on such date. Under no circumstances shall the Sukukholders' Agent or any Sukukholders have any right to cause the sale or other disposition of any of the Sukuk Assets except pursuant to the Conditions

and the sole right of the Sukukholders' Agent and Sukukholders against the Issuer shall be to require it to pay the amounts due and payable by it under the Sukuk Documents.

- (c) The foregoing paragraphs in this Condition 13 (*Enforcement and Exercise of Rights*) are subject to this paragraph. After enforcing or realising the Sukuk Assets and distributing the net proceeds of the Sukuk Assets in accordance with Condition 5.6 (*Sukuk – Application of Proceeds*), the obligations of the Issuer in respect of the Sukuk shall be satisfied and no Sukukholder may take any further steps against the Issuer to recover any further sums in respect of the Sukuk and the right to receive any such sums unpaid shall be extinguished.

14. MEETINGS OF SUKUKHOLDERS; MODIFICATION

14.1 Meetings of Sukukholders

The Master Declaration of Agency contains provisions for convening meetings of Sukukholders to consider any matter affecting their interests, including the sanctioning by an Extraordinary Resolution of a modification of the Sukuk, these Conditions or any relevant provision of the Master Declaration of Agency or any other Sukuk Document, subject also to the approval of the Issuer. Such a meeting may be convened by the Issuer or the Sukukholders' Agent and shall be convened by the Sukukholders' Agent upon the request in writing of Sukukholders holding not less than one-tenth of the Sukuk as are current as of such date and subject to the Sukukholders' Agent having been indemnified and/or secured and/or prefunded to its satisfaction. The quorum at any meeting convened to vote on an Extraordinary Resolution will be one or more Persons holding or representing at least half of the Aggregate Nominal Amount of such of the Sukuk as are current as of such date or, at any adjourned meeting, one or more Persons being or representing at least one quarter of the Aggregate Nominal Amount of such of the Sukuk as are current as of such date, except that at any meeting the business of which includes the modification of certain provisions of the Sukuk, the Master Declaration of Agency (defined in the Master Declaration of Agency as a "Basic Terms Modification" and which includes, *inter alia*, modifying the provisions for payment of any Periodic Distribution Amount, Partial Periodic Distribution Amount, the Sukuk Capital or any Sukuk Capital Instalment Amount or Early Redemption Amount in respect of the Sukuk, reducing or cancelling any Periodic Distribution Amount, Partial Periodic Distribution Amount, the Sukuk Capital or any Sukuk Capital Instalment Amount or Early Redemption Amount payable in respect of the Sukuk, or altering the currency of payment of any Periodic Distribution Amount, Partial Periodic Distribution Amount, the Sukuk Capital or any Sukuk Capital Instalment Amount or Early Redemption Amount in respect of the Sukuk), the quorum shall be one or more Persons holding or representing not less than two-thirds in Aggregate Nominal Amount of the Sukuk as are current as of such date, or at any adjourned such meeting one or more Persons holding or representing not less than one-third in Aggregate Nominal Amount of the Sukuk as are current as of such date. An Extraordinary Resolution passed at any meeting of the Sukukholders shall be binding on all the Sukukholders, whether or not they are present at the meeting and whether or not they voted on such Extraordinary Resolution. The expression "**Extraordinary Resolution**" is defined in the Master Declaration of Agency to mean either:

- (a) a resolution passed at a meeting of Sukukholders duly convened and held by a majority consisting of not less than three-fourths of the votes cast; or
- (b) a resolution in writing signed by or on behalf of the holders of not less than three-fourths in Aggregate Nominal Amount of the Sukuk as are current as of such date.

14.2 Modification

The Master Declaration of Agency provides that the Sukukholders' Agent (acting on behalf of the Sukukholders) may agree, without the consent or sanction of the Sukukholders, to any modification (subject to certain exceptions as provided in the Master Declaration of Agency and subject to the approval of the Issuer) of, or to any waiver or authorisation of any breach or proposed breach of, any of these Conditions or any of the provisions of the Master Declaration of Agency or any other

Sukuk Document, or may determine that an Event of Default shall not be treated as such which in any such case, in the opinion of the Sukukholders' Agent, is not materially prejudicial to the interests of the Sukukholders or to any modification of any of these Conditions or any of the provisions of the Master Declaration of Agency or any other Sukuk Document which is (in the opinion of the Sukukholders' Agent) of a formal, minor or technical nature or which is made to correct a manifest error or to comply with mandatory provisions of law. Any such modification, waiver, authorisation or determination shall be binding on the Sukukholders and, unless the Sukukholders' Agent agrees otherwise, any such modification shall be notified to the Sukukholders as soon as practicable thereafter in accordance with Condition 17 (*Notices*).

In connection with the exercise by it of any of its powers, authorities or discretions (including, but without limitation, any modification, waiver or authorisation), the Sukukholders' Agent shall have regard to the interests of the Sukukholders as a class and, in particular, but without limitation, need not have regard to the consequences of such exercise for individual Sukukholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Sukukholders' Agent shall not be entitled to require, nor shall any Sukukholder be entitled to claim, from the Issuer, the Sukukholders' Agent or any other Person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Sukukholders.

15. **TAXATION**

All payments in respect of the Sukuk by, or on behalf of, the Issuer shall be made free and clear of, and without withholding or deduction for, or on account of, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the Kingdom or any political subdivision therein or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments, or governmental charges is required by law. In that event, the Issuer shall pay such additional amounts as will result in receipt by the holders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Sukuk presented for payment:

- (a) by or on behalf of a holder, that would not have been payable or due but for the holder being liable for such taxes, duties, assessments or governmental charges in respect of the Sukuk by reason of its having some connection with the Kingdom, or any political subdivision or any authority thereof or therein having power to tax, other than the mere acquisition or holding of any Sukuk or the enforcement or receipt of payment under or in respect of any Sukuk;
- (b) more than thirty (30) days after the Applicable Due Date, except to the extent that the holder of the Sukuk would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of thirty (30) days;
- (c) where such withholding or deduction is required pursuant to Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto; or
- (d) any combination of items (a) through (c) above.

16. **INDEMNIFICATION AND LIABILITY OF THE SUKUKHOLDERS' AGENT**

The Master Declaration of Agency contains provisions for the indemnification of the Sukukholders' Agent in certain circumstances and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or prefunded to its satisfaction, in particular, in connection with the exercise of any of its rights in respect of the Sukuk Assets. The Sukukholders' Agent shall in no circumstances take any action unless directed to do so in accordance with Condition 13 (*Enforcement and Exercise of Rights*), and then only if it

shall have been indemnified and/or secured and/or prefunded to its satisfaction. Nothing in the Master Declaration of Agency shall, in any case in which the Sukukholders' Agent has failed to show the degree of care and diligence required of it as sukukholders' agent, having regard to the provisions of the Master Declaration of Agency conferring on it any rights, powers, authorities or discretions, exempt the Sukukholders' Agent from or indemnify it against any Liability which by virtue of any rule of law would otherwise attach to it in respect of any gross negligence, wilful default or actual fraud of which it may be guilty in relation to its duties under the Master Declaration of Agency.

The Sukukholders' Agent makes no representation and assumes no responsibility for the validity, sufficiency or enforceability of the obligations of the Issuer under the Sukuk Documents and shall not under any circumstances have any liability or be obliged to account to the Sukukholders in respect of any payment which should have been made by or on behalf of the Issuer, but is not so made, and shall not in any circumstances have any liability arising from the Sukuk Assets.

Without prejudice to the provisions of any Sukuk Document relating to insurance, the Sukukholders' Agent shall not be under any obligation to insure any of the Sukuk Assets or any deeds or documents of title or other evidence in respect of the Sukuk Assets or to require any other person to maintain any such insurance or monitor the adequacy of any such insurance and shall not be responsible for any Liability which may be suffered by any person as a result of the lack of or inadequacy of any such insurance.

The Sukukholders' Agent shall not in any event be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits, goodwill, reputation, business opportunity or anticipated saving), whether or not foreseeable, even if the Sukukholders' Agent has been advised of the likelihood of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

17. **NOTICES**

All notices to the Sukukholders will be sent to them by registered mail to their respective addresses on the Register. Any such notice shall be deemed to have been given on the fifth day of mailing. In addition, notices of any meetings of Sukukholders shall be sent at least twenty five (25) days prior to the date set for the initial meeting and at least ten (10) days prior to the date set for any adjourned meeting and shall be valid if sent to the Sukukholders by registered mail to their respective addresses in the Register. Any such notice shall be deemed to have been given on the fifth day after the date of mailing.

Notices to be given by any Sukukholder shall be in writing and delivered to the registered postal or email address of the relevant addressee.

18. **GOVERNING LAW AND JURISDICTION**

18.1 **Governing Law**

The Sukuk Documents and the Sukuk are governed by, and are to be construed in accordance with, the laws and regulations of the Kingdom of Saudi Arabia.

18.2 **Jurisdiction**

The competent court in the Kingdom of Saudi Arabia shall have exclusive jurisdiction to hear and determine any suit, action or proceedings and to settle any disputes which may arise out of or in connection with the Sukuk or the Sukuk Documents. No suit, action or proceedings which may arise out of or in connection with the Sukuk or the Sukuk Documents may be filed or brought outside the Kingdom of Saudi Arabia and no court or any judicial authority outside the Kingdom of Saudi Arabia shall have jurisdiction to hear any such claim.

18.3 **Waiver of Usurious Interest**

If any suit, action or proceedings are brought by or on behalf of the Sukukholders' Agent or any Sukukholder under these Conditions, the Sukukholders' Agent and each Sukukholder agrees that it will:

- (a) not claim any judgment interest or consequential loss (including opportunity cost and cost of funds) under, or in connection with, such suit, action or proceedings; and
- (b) to the fullest extent permitted by law, waive all and any entitlement it may have to judgment interest awarded in its favour by any court or other judicial authority as a result of such suit, action or proceedings.

For the avoidance of doubt, nothing in this Condition 18.3 (*Governing Law and Jurisdiction – Waiver of Usurious Interest*) shall be construed as a waiver of rights in respect of any Mudaraba Profit or liquidation proceeds payable under the Mudaraba Agreement, any Deferred Sale Price (or any part thereof) payable under the Master Murabaha Agreement, any Periodic Distribution Amount, Partial Periodic Distribution Amount, the Sukuk Capital or any Sukuk Capital Instalment Amount or Early Redemption Amount payable under these Conditions or profit of any kind howsoever described payable by the Issuer pursuant to the Sukuk Documents and/or these Conditions, howsoever such amounts may be described or re-characterised by any court or other judicial authority.

18.4 **No Waiver**

Nothing in these Conditions or the Sukuk Documents shall constitute a waiver by the Issuer of any protection or immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process that it may in any jurisdiction claim for itself or its assets.

19. **FURTHER ISSUES**

The Issuer shall be at liberty from time to time without the consent of the Sukukholders to increase the size of any Series by accepting additional investments from Sukukholders, new or existing. The terms and conditions of any such Series shall remain the same in all respects.
